Let's make your lab work simpler, faster, and more affordable.

Contact us today to see how much your practice can save with Smile Fusion.

FEATURES

10-Day Turnaround with Shipping

Receive high-quality restorations in 10 days or less.

Live Chairside Quality Control

Get real-time scan feedback while your patient is still in the chair. Guaranteed for Premium & Elite.

Flexible or Committed, Choose your Fit.

Our Essential tier offers full access with no contracts or minimums. Premium and Elite tiers unlock deeper discounts with a time and volume commitment.

REQUIREMENTS

Dedicated IT Support

We troubleshoot tech issues fast so your workflow stays uninterrupted.

Comprehensive Scanner Training

We train your team to scan accurately and efficiently from day one.

Fully Digital. Fully Aligned.

Our workflow is built for digital dentistry — no impressions, no delays, just streamlined efficiency.

Ask yourself — why keep paying full price when you don't have to?
No gimmicks. No hidden fees. Just straight-up savings on every restoration.
